OFFICE OF PETITIONS

In re Application of  
Michael Behagen et al  
Application No. 09/197,441  
Filed: November 23, 1998  
Attorney Docket No. 1521/1

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed , to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to reply within the meaning of 37 CFR 1.113 in a timely manner to the final Office action mailed December 12, 2000, which set a shortened statutory period for reply of three (3) months. A reply under 37 CFR 1.113 is limited to an amendment that *prima facie* places the application in condition for allowance or a Notice of Appeal (and appeal fee required by 37 CFR 1.17(b)). Since the amendment submitted does not *prima facie* placing the application in condition for allowance, no Notice of Appeal (and appeal fee) was timely filed, and no extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned on March 13, 2001.

37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. If the statement contained in the instant petition varies from the language required by 37 CFR 1.137(b)(3), the statement contained in the instant petition is being construed as the statement required by 37 CFR 1.137(b)(3) and petitioner must notify the Office if this is **not** a correct interpretation of the statement contained in the instant petition.

The above-identified application is being revived solely for purposes of continuity with a continued prosecution application (CPA) filed on March 4, 2002.

Telephone inquiries concerning this decision should be directed to Wan Laymon at (703) 305-9282.

The application file is being forwarded to Technology Center 2611 for further processing.
